## **CALL FOR PAPERS**

A NATIONAL CONFERENCE

ON

# **THE CURRENT ISSUES IN GLOBALIZED PEDAGOGY : CHALLENGES & FUTURE PROSPECTS**

**DECEMBER 5th & 6th ,2010**

### **Conference objectives**

The conference aims to provide an opportunity for researchers from various educational fields from cross- disciplinary interests to fill the knowledge gap, promote research and research esteem, and the evolution of pedagogy. Our objectives from organizing such and academic manifestation in our august institution are listed below :

- To assess the current situation of education in algeria in the aftermath of the recent reforms ;
- To research the state of the art practices and achievements in other universities
- To open up new scopes in research for teachers-researchers and student community
- To promote research, sustain quality instruction, and meet the challenges posted by globalization ;
- To sensitize stakeholders (decision-makers, researchers teachers, students and parents) as to the seriousness of the challenges of the 21st century)
- To bridge the knowledge gap, share expertise and reactivate research partnership

### **Expected outcomes**

In like manner with the set objectives, great expectations are aspired from organizing such a seminar . the following outcomes are expected :

- ✓ Promotion of research esteem among algerian researchers ;
- ✓ Inception of more meaningful cooperation and partnership ;
- ✓ Publication of a book containing the papers (presentations delivered in the conference) ;
- ✓ Establish of research tradition and academic manifestations ;

### **Tracks :**

As many as seven rich and varied tracks that touch upon the proposed theme of the seminar are listed below. Therefore, short and full papers are solicited in the following and related tracks :

- Policies of algeria on the globalization of pedagogy
- Designing and delivering of the globalized curriculums
